Application Process

Our enrollment process begins with a tour of our school to get to know your family and your child and to share our mission, community, and visit our classrooms and outdoor space. After touring, if you are interested in enrollment, you can reach out to our school to request the link to our online application.

After submitting your application you will receive an email invoice for the application fee and tuition deposit (see below) that you can pay through your bank or by bringing in a check. We will then send you a confirmation email after we receive both your application and deposits outlining the next steps in the enrollment process.

Application Fee

Each family needs to pay the application fee of \$150 in order to have their space reserved or to be placed on the waiting list. Once received, this application fee is not refundable. This fee will be billed to DHS for families utilizing ERDC.
